

LED BULK HEAD LIGHTS

SEARCH CODE: SC43932

FEATURES:

- **Robust Back Plate:** Constructed with durable die-cast aluminum for long-lasting performance.
- **Weather-Resistant:** Features a sealed glass lens for superior waterproofing.
- **Adjustable Color Temperatures:** Select between 3000K, 4000K, and 5000K for tailored illumination.
- **Dimming Capability:** 0-10V dimming for adjustable brightness levels.
- **Premium Materials:** Polycarbonate housing ensures enhanced durability and impact resistance.
- **Elegant Finishes:** Available in bronze or black to complement any design aesthetic.

APPLICATION:

- **Entrance & Courtyard Lighting:** Ideal for doorways and outdoor spaces.
- **Industrial & Landscape Lighting:** Perfect for warehouses, outdoor pathways, and scenic areas.
- **Building & Hotel Lighting:** Enhances the aesthetic and functionality of walls and architectural features.
- **Wall Lighting Areas:** Suited for a variety of wall-mounted lighting needs.

WARRANTY & LISTINGS:

- 5-Year Warranty
- ETL listed for compliance with safety standards
- IP65 rated for wet location use

ELECTRICAL:

- **Voltage:** 120-277V AC 60Hz for broad application use.
- **High Efficiency:** 85 lumens per watt (LPW).
- **Reliable Power Factor:** >0.9 for consistent performance.
- **Color Accuracy:** CRI \geq 70 ensures natural lighting representation.
- **Optimized Illumination:** 100° beam angle for uniform light distribution.
- **Temperature Range:** Operates at 0°F and 113°F
- **High-Quality LED Chips:** Equipped with 2835 LUMILEDS for reliable, high-performance lighting.

SPECIFICATIONS:

Product Code	Wattage	Lumens	Color Temperature	Finish
BHL-10MW-MCT-BL-PC	Selectable 10W/8W/6W	850 Max Lumens	Selectable 3000K/4000K/5000K	Black
BHL-10MW-MCT-BZ-PC	Selectable 10W/8W/6W	850 Max Lumens	Selectable 3000K/4000K/5000K	Bronze
BHL-20MW-MCT-BL-PC	Selectable 20W/18W/12W	1700 Max Lumens	Selectable 3000K/4000K/5000K	Black
BHL-20MW-MCT-BZ-PC	Selectable 20W/18W/12W	1700 Max Lumens	Selectable 3000K/4000K/5000K	Bronze
